NUMAZU GOYOTEI

LOCATION

About 15 minutes drive from *Plaza Verde*

HIGHLIGHTS

Goyotei is a recreational resort facility, or Imperial villa, once used by the Imperial Family. Numazu Goyotei, built in 1893, and with subsequent extensions and renovations, was loved and frequented by the successive Imperial Family until 1969. The main building and some other sections of the villa were destroyed during the war, and the current complex known as The Numazu Goyotei Memorial Park has been open to the public since 1970. In 1903, the East Wing was a place of study for the Imperial grandchild (the future Emperor Showa) and is now used for meetings and meals. Savor succulent seafood, fresh from the beautiful Suruga Bay, located immediately in front of the villa. Enjoy local cuisine with farm-fresh local vegetables while basking in the rich history and imperial culture at Numazu Goyotei.

Period:

Throughout the year with the exception of year-end, New Year holidays and other previously schedule events.

NUMAZU DEEP SEA AQUARIUM NIGHT MUSEUM PARTY

Enjoy a private guided tour of Numazu Deep Sea Aquarium, create a unique environment for your ceremony or function in the midst of the fabled coelacanth, then taste the treasures of the deep-sea and party in an atmosphere that only the Port City of Numazu can offer!

LOCATION

About 10 minutes drive from *Plaza Verde*

HIGHLIGHTS

The Numazu Deep Sea Aquarium was opened in December 2011. The first floor features a deep-sea themed aquarium, while the second floor boasts the only coelacanth museum in the world where you can view its frozen specimens. Situated on picturesque Suruga Bay, the deepest bay in Japan at 2500m, you can admire the wonders of the deep sea in their natural habit, transported safely to this nearby aquarium.

Guided tour: Learn about the marvels of deep-sea creatures from the knowledgeable aquarium staff on the 1st floor Deep Sea Aquarium.
Ceremony: Raise a glass, and make a toast to the future in the mysterious, ancient environment of the frozen coelacanth specimens located on the 2nd floor of the museum.

Dinner: Enjoy “Hamayaki” or “Seafood BBQ” of fresh seafood from Numazu Port and delicious deep-sea fish from Suruga Bay including a 90-minute, all-you-can-drink bar at “Minato 83 Banchi” restaurant beside the aquarium.

Shopping: “Minato 83 Banchi Yokocho” hosts a wide selection of seafood delicacies such as Numazu’s famous Dried Fish and the Izu peninsula’s superb Red Snapper simmered in a deliciously sweet, soy sauce broth.

Period:

Throughout the year with the exception of the summer season, Golden Week, year-end and the New Year holidays

Number of people:
